

2016 PEOPLE'S VOICE SURVEY

From February to June 2016, we surveyed 680 Chinese immigrants across the city of San Francisco to learn more about their living and working conditions.

Average Household Size

Inadequate Housing

In-Law Unit

Single Resident Occupancy (SRO)

Single Family Home

Apartment or Condo

Percent Who've **Applied** for Affordable Housing

Percent Who've **Received** Affordable Housing

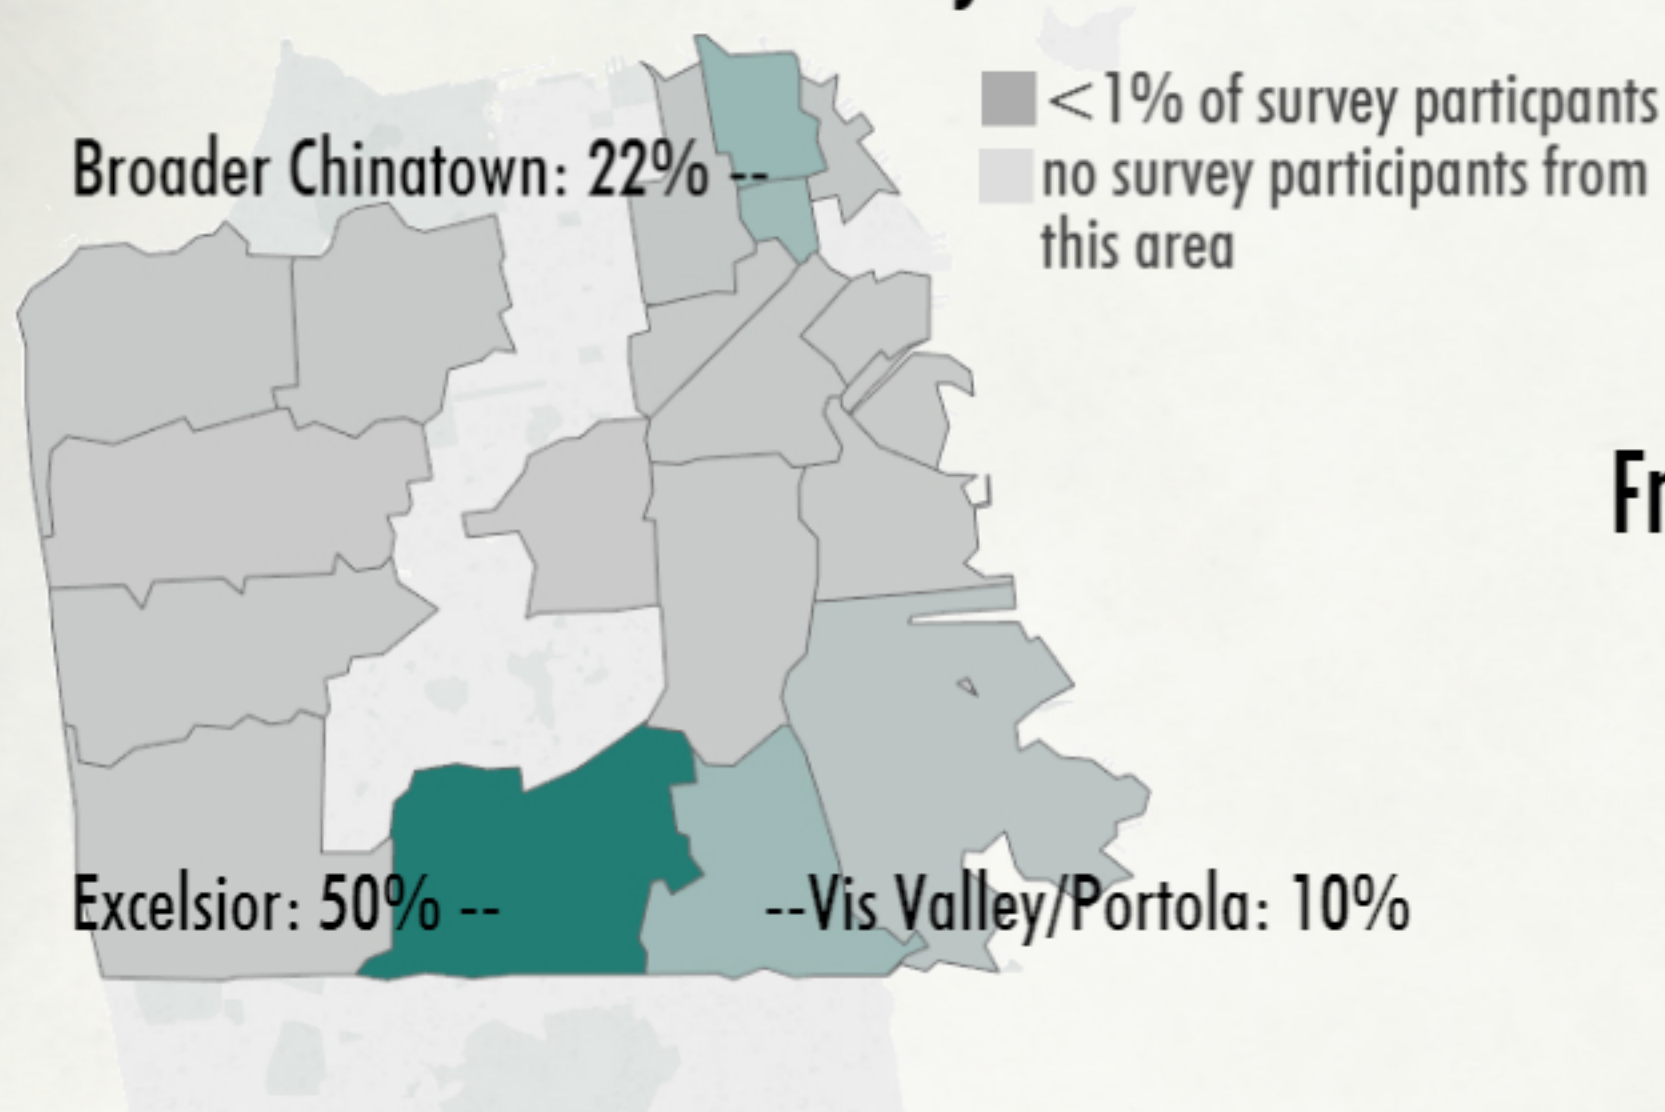

Annual Average Income

53% of 3 to 4 person households earn **less than \$35,151**.

Affordable housing is not accessible to most working class immigrant families.

Where did we survey?

"Do you feel concerned about San Francisco's current housing situation?"

90% are "**very concerned**" or have "**some concerns**" about the housing crisis
